PROFILE SUMMARY

Versatile, Dynamic and Professional JavaScript Developer with years of comprehensive and progressive experience in all aspects of web technologies. Expert in planning, designing, deploying and implementing various Web and Mobile applications. Exceptionally skilled in creating front-end and back-end design of websites and software applications. Well-organized leader, able to manage various projects, tasks, and priorities in a timely manner. Articulate communicator; accustomed to developing and maintaining positive relationships with all levels of individuals of diverse backgrounds.

Pankaj is a great and hardworking guy. I was always impressed by Pankaj's ability to complete the work assigned to him on time. His responsibilities included requirement gathering, analysis and design of complex Web applications using a variety of technologies.

Anand Chandraseka
CEO / VITALDYNAMX
